# Lower Calories, Bigger Sales

## 3 Reasons You'll Want to Serve Up MGD64

### Your Calorie Conscious Customers

At only 64 calories, there's no lower calorie and carb beer in the market than MGD64. It's so light, calorie counters won't feel guilty or weighed down after drinking it.

### Your MGD Light Lovers

Reformulated from the original MGD Light to have a lower calorie count, the new MGD64 has the same fresh, crisp, cold-filtered flavor as before and no lingering aftertaste.

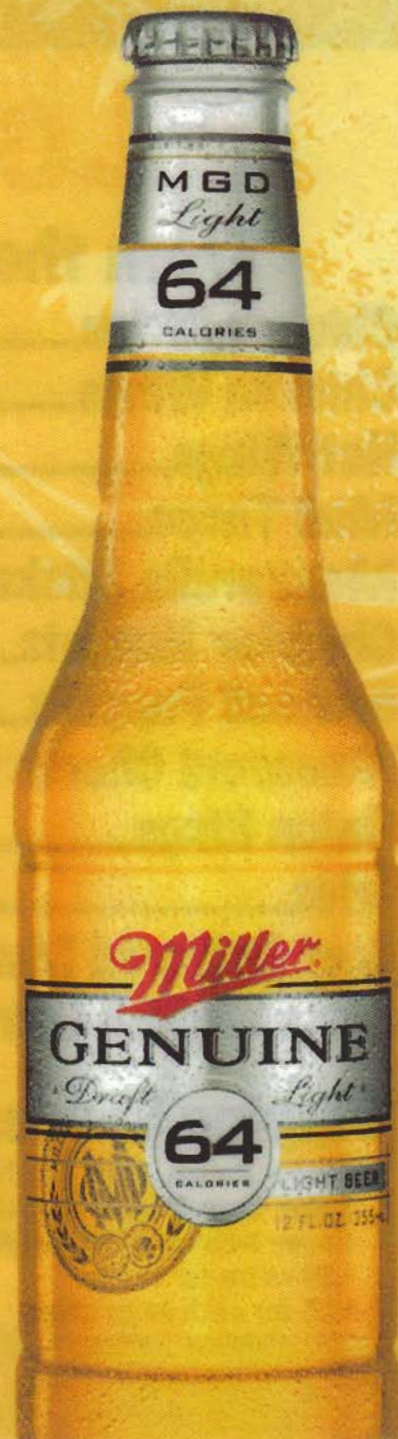

### Your Profit

Your customers can drink twice as many MGD64s for the same number of calories as one Bud Light. That means higher tabs and better tips for you!

See for yourself how MGD64 weighs against the competition:
